In the warmth of the dawn  
We made it so far  
Thought this was forever  
But the cold has come  
And the pain is so strong  
Why you leavin' this way?

Promises frozen in time

Is it over now?  
You know I tried so hard  
I believe in our love!  
Is it over now?  
I'm down on on my knees babe  
It's all I can do  
This heart belongs to you

I know you're sailing on  
It's all too much to bear  
When I can't feel your love  
Is the feeling gone?  
Have we been here too long?  
Oh won't you tell me now  
Promises frozen in time

Is it over now?  
You know I tried so hard  
I believe in our love!  
Is it over now?  
I'm down on on my knees babe  
It's all I can do  
This heart belongs to you

I've loved you for so long  
We made it too far  
To waste it all  
I'll keep on holding out  
My love will never fade  
Why you leaving this way?  
Promises frozen in time

Is it over now?

You know I tried so hard  
I believe in our love!  
Is it over now?  
I'm down on on my knees babe  
It's all I can do

Is it over now?  
You know I tried so hard  
I believe in our love!  
Is it over now?  
I'm down on on my knees babe  
It's all I can do
