In my younger days we used to rock all night
We all had that music in our soul
Hangin up in Saphire, or off Old Baldy Road
That's where all us knuckleheads would go

Bangin to that cold steel on into the night
That's just the way we had to go
And still I..

I'm a rock n' roll believer
That's what I say
Just a rock n' roll believer
It's the only way

Always been a rocker - rebel tried n' true
Grew up with music in my veins
Whailin' on them drum heads non-stop every day
Musta drove that neighborhood insane

And even though rock music of today just ain't the
same
I'll always be there for the show
Yeah!

I'm a rock n' roll believer
That's what I say
Just a rock n' roll believer
It's the only way

Whenever I recall those reckless days gone by
All of those songs we used to play
Makes me wanna jump back and do it all again
Nothin ever gonna take that thirst away

I'll always keep on rockin n' a-rollin 'till I'm gone
That's just the way I've got to go
Yeah!

I'm a rock n' roll believer
That's what I say
Just a rock n' roll believer
It's the only way

I'm a rock n' roll believer
That's what I say
Just a rock n' roll believer
It's the only way

I'm a rock n' roll
I'm a rock n' roll
I'm a rock n' roll believer!
