Hey boy, I know it's what you wanted  
Closer to me  
Sweet thing, I know just how to flaunt it  
Can't you see

I'll Deliver C.O.D.  
I'll Dleiver C.O.D.

Let me  
Make it right  
Turn you  
On all night  
Just call my name  
In a Hurry  
Ooh Baby it's not the same  
Why don't you  
Tell me, do you feel like I do  
So Free  
Softly, i'll be deep inside you  
Don't you see

I'll Deliver C.O.D.  
I'll Deliver C.O.D.

Just call me name  
In a Hurry  
It's not the same  
Without you  
Da Da Da Da

I'll Deliver C.O.D.  
I'll Deliver C.O.D.  
I'll Deliver C.O.D.  
I'll Deliver C.O.D.  
I'll Deliver C.O.D.  
I'll Deliver C.O.D.
