Yeah

Motherfuckers better know... huh, huh

Lock your windows, close your doors

Biggie Smalls, huh... yeah

(*scratching* "I'm a bad, bad, boy..")

[Notorious B.I.G.]

My man Inf left a Tec and a nine at my crib

Turned himself in, he had to do a bid

A one-to-three, he be home the end of '93

I'm ready to get this paper, G, you with me?

Motherfucking right, my pocket's looking kind of tight

and I'm stressed, yo Biggie let me get the vest

No need for that, just grab the fucking gat

The first pocket that's fat the Tec is to his back

Word is bond, I'm a smoke him yo don't fake no moves

(what?)

Treat it like boxing: stick and move, stick and move

Nigga, you ain't got to explain shit

I've been robbin motherfuckers since the slave ships

with the same clip and the same four-five

Two point-blank, a motherfucker's sure to die

That's my word, nigga even try to bogart

have his mother singing "It's so hard..."

Yes Love, love your fucking attitude

because the nigga play pussy that's the nigga that's

getting screwed

and bruised up from the pistol whipping

welts on the neck from the necklace stripping

Then I'm dipping up the block and I'm robbing bitches

too

up the herring bones and bamboos

I wouldn't give fuck if you're pregnant

Give me the baby rings and a #1 MOM pendant

I'm slamming niggaz like Shaquille, shit is real

When it's time to eat a meal I rob and steal

cause Mom Duke ain't giving me shit

so for the bread and butter I leave niggaz in the gutter

Huh, word to mother, I'm dangerous

Crazier than a bag of fucking Angel Dust

When I bust my gat motherfuckers take dirt naps

I'm all that and a dime sack, where the paper at?
(*sample* "But he's sticking you, and taking all of your money..")

[Chorus 8X]

Gimme the loot, gimme the loot
(*scratching* "I'm a bad, bad, boy..")

[Notorious B.I.G.]

Big up, big up, it's a stick up, stick up
and I'm shooting niggaz quick if you hiccup
Don't let me fill my clip up in your back and head piece
The opposite of peace sending Mom Duke a wreath
You're talking to the robbery expert
Stepping to your wake with your blood on my shirt
Don't be a jerk and get smoked over being resistant
cause when I lick shots the shits is persistent
Huh, goodness gracious the papers
Where the cash at? Where the stash at?
Nigga, pass that before you get your grave dug
from the main thug, .357 slug
And my nigga Biggie got an itchy one grip
One in the chamber, 32 in the clip
Motherfuckers better strip, yeah nigga peel
before you find out how blue steel feel
from the Beretta, putting all the holes in your sweater
The money getter motherfuckers don't have better
Rolex watches and colourful Swatches
I'm digging in pockets, motherfuckers can't stop it
Man, niggaz come through I'm taking high school rings
too
Bitches get *strangled* for they earrings and bangles
and when I rock her and drop her I'm taking her door
knockers
And if she's resistant "baka! baka! baka!"
So go get your man bitch he can get robbed too
Tell him Biggie took it, what the fuck he gonna do?
I hope apologetic or I'm a have to set it
and if I set it the cocksucker won't forget it
(*sample* "But he's sticking you, and taking all of your
money..")

[Chorus 8X]

Gimme the loot, gimme the loot
(*scratching* "I'm a bad, bad, boy..")

[Notorious B.I.G.]

Man, listen all this walking is hurting my feet
But money looks sweet (where at?) in the Isuzu jeep
Man, I throw him in the Beem, you grab the fucking
C.R.E.A.M

and if he start to scream "bam! bam!", have a nice
dream
Hold up, he got a fucking bitch in the car
Fur coats and diamonds, she thinks she a superstar
Ooh Biggie, let me jack her, I kick her in the back
Hit her with the gat...
Yo chill, Shorty, let me do that
Just get the fucking car keys and cruise up the block
The bitch act shocked, gettin shot on the spot
(Oh shit! The cops!) Be cool, fool
They ain't gonna roll up, all they want is fucking
doughnuts
(So why the fuck he keep lookin?) I guess to get his life
token
I just came home, ain't trying to see Central Booking
Oh shit, now he lookin in my face
You better haul ass cause I ain't with no fucking chase
So lace up your boots, cause I'm about to shoot
A true motherfucker going out for the loot
