Yeah

(I like it, ooh... ho...)

(I like it, ooh... ho...)

I need it, I need it

Oh, girl

You know very well

What you are

You're my sugar thing

My chocolate star

I've had a few

But not that many

But you're the only love

That gives me good and plenty

Juicy fruit (Juicy)

Juicy (Yeah... eah... eah... hey...)

Juicy fruit (Juicy)

Juicy

Candy rain

Comin' down

Taste you in my mind

And spread you all around

Here I am

Oh, this love's for you

Hey, baby

Sweet as honey dew

Close my eyes

Oh, what fantasy

And you're right here with me

Juicy

Cherry blossom kiss

What you're givin'

Makes my body rock

Keeps me sizzlin'

Do what you want

I don't care
I'll be your lollipop
[You can lick me everywhere]

Juicy fruit (You're so)
Juicy (Juicy)
Juicy fruit (Yeah... hey... hey... hey... hey...)
Juicy

Here I am
This love's for you
Hey, baby
You're sweet as honey dew [Dew]

Close my eyes
Oh, what fantasy
And you're right here with me
Yeah, yeah, yeah, yeah

Juicy fruit
Juicy

Juicy fruit (Juicy)
Juicy (I like it, I like it)
Juicy fruit (In the morning, oh, babe)
Juicy (Oh... oh...)

Juicy fruit (Candy rain comin' down)
Juicy (Turns me all around)
Juicy fruit (I like it, I like it)
Juicy
