Verse One:

Live from Bedford-Stuyverson, the livest one  
Representin BK to the fullest  
Gats I pull it, bastards duckin when Big be buckin  
Chickenheads be cluckin in my bathroom fuckin  
It ain't nuttin, they know Big be handlin  
with the mac in the Ac' door paneling  
Bandaging MC's, oxygen they can't breathe  
Mad tricks up the sleeve, red boxers so my dick can  
breathe  
Breeze through in the Q-45 by my side, lyrical high  
And those that rushes my clothes get put on crutches  
Get smoked like dutches from the master  
Hate to blast ya, but I have ta, you see I smoke a lot  
Your life is played out like Kwame, and them fuckin  
polka dots  
Who rock the spot? Biggie!  
You know how the weed yo, unbelievable

Verse Two:

B-I-G, G-I-E, AKA, B.I.G.  
Get it? Biggie  
Also known as the bon appetit  
Rappers can't sleep need sleepin Big keep creepin  
Bulelts heat-seekin, casualties need treatin  
Dumb rappers need teachin  
Lesson A - don't fuck with B-I, that's that, oh I, thought  
he was wack  
Oh come come now, why y'all so dumb now  
Hunt me or be hunted, three hundred and fifty-seven  
ways  
To summer sautee, I'm the winner all day  
Lights get dimmer down Biggie's hallway  
My forte causes caucasians to say  
He sounds demented, car-weed scented  
If I said it, I meant it  
Bite my tongue for no-one  
Call me evil, or unbelievable

Verse Three:

Buck shots out the sun roof of Lexus Coupe's  
Leave no witnesses, what you think this is  
Ain't no amateurs here, I damage and tear  
MC's fear me, they too near not to hear me  
Clearly, I'm the triple beam dream  
One thousand grams of uncut to the gut  
It seems fucked up, the way I touched up the grill  
Tryin to play gorilla, when you ain't no killer  
The gat's by your liver, your upper lip quiver  
Get ready to die, tell God I said hi  
And throw down some ice, for the nicest MC  
Niggaz know the steelo, unbelievable
