Kono te wa nani wo tsukamu?
Yubi no aida de kaze ga naida
Kusunda sotsugyou shashin
Shayou wo abite kagayaiteru

Kujira no kumo ni notte
Hateshinaki yume, aoku, aoku
Shounen no chiisana te wa
Nagare hoshi sae nigirishimeta

KOBARUTO BURUU ni moeru

Ano sora he mogutteku kokyuu sae wasurete
Kono me ni utsuru osanaki hi no kage okuri
Dare no tame? nani no tame? riyuu sae nakushite
Itsuka no sora wo oyogu sakana ni naru

Kioku no AACHI wo nukete

Ano sora he oboreteku kokyuu sae ubaware
Kono me wo sorasu osanaki hi no kage okuri
Hanatareta genjitsu ni uchi otosareta ima
Kako sae mirai de sae muimi to shiru

Dare no tame? kimi no tame riyuu sae nakushite
Itsuka no sora wo oyogu sakana ni naru
