Yeah when the sun rose this mornin', I didn't have my
baby by my side
Well when the sun rose this mornin', I didn't have my
woman by my side
Well I didn't know where she was, she's out with
another guy

And don't the sun look lonesome? She headed down
the highway
Ya know the sun looks so lonesome, settin' down
behind the trees
Well don't the heart look lonesome? When your baby
find someone else

Well blow wind, blow wind, blow my baby back to me
Yeah, blow wind, blow wind, blow my baby back to me
Well you know if I don't soon find my pine top, my
heart's gonna be in misery

Well goodbye bab-ay, I ain't got no more to say
Yeah, goodbye, goodbye, I ain't got no more to say
Well you know, I know you don't love me, go ahead and
have your way
