Yeah bring me champagne when I'm thirsty.  
Bring me reefer when I want to get high.  
Yeah bring me champagne when I'm thirsty.  
Bring me reefer when I want to get high.  
Well you know when I'm lonely  
Bring my woman set her right down here by my side.  
Well you know there should be no law  
on people that want to smoke a little dope.  
Well you know there should be no law  
on people that want to smoke a little dope.  
Well you know it's good for your head  
And it relax your body don't you know.

Everytime I get high  
I lay my head down on my baby's breast.  
Well you know I lay down be quiet  
Tryin' to take my rest.  
Well you know she done hug and kiss me  
Says Muddy your one man that I love the best.

I'm gonna get high  
Gonna get high just as sure as you know my name.  
Y'know I'm gonna get so high this morning  
It's going to be a cryin' shame.  
Well you know I'm gonna stick with my reefer  
Ain't gonna be messin' round with no cocaine.
