Have you ever been mistreated, and you know what I'm
talkin' about
Have you ever been mistreated, and you know what I'm
talkin' about
Now you know I work five long years for one woman,
she had the nerve to put me out
I finally learned a lesson, you know a long long time
ago
I finally learned a lesson, you know a long long time
ago
The next woman that I marry, she got to work and bring
me some dough
Yes I been mistreated, you know what I'm talkin' about
Yes I been mistreated, you know what I'm talkin' about
Now you know I work five long years for one woman,
she had the nerve to put me out
She had the nerve
She had the nerve
She had the nerve to put me out
