I got a letter this morning, my wife had a brand new  
baby girl  
When I got the news I was half way 'round the world  
That's good news, oh boy that's good news  
Oh boy that's good news, what my baby says

Well, you know I'm leaving in the morning, I'm on my  
way home  
When I get there I'ma rock that woman in my arms  
That's good news, oh boy that's good news  
Oh, oh boy that's good news, what my baby says

Well, you know I'ma give away candy, I'ma have cigars  
for sale  
I know she love me and boy, she wouldn't fail  
That's good news, oh boy that's good news  
Oh, oh boy that's good news, what my baby says

Well, you know soon as I get home I'ma rock that baby  
on my knees  
Reach out to kiss her mother and say, "Girl, you can't  
be beat"  
That's good news, oh boy that's good news  
Oh, oh boy that's good news, what my baby says
