You know the gypsy woman told me that you your
mother's

Bad-luck child

You know the gypsy woman told me that you your
mother's

Bad-luck child

Well, you're having a good time now, but that'll be
Trouble after while

Well, you know I went to a gypsy woman to have my
fortune

Told

She say, "You better go back home son and peep
through

Your, your key hole"

You know the gypsy woman told me that you your
mother's

Bad-luck child

Well, you're having a good time now, but that'll be
Trouble after while

Well, now, you know I went back home, I took the gypsy
Woman as she said

I peeped through my key hole and there was another
man

Laying in my bed

You know the gypsy woman told me that you your
mother's

Bad-luck child

Well, you're having a good time now, but that'll be
Trouble after while
