I want you to love me  
Love your baby slow  
I want you to love me  
Love you baby slow

I want you to love me, baby  
Till I drop dead from your love

I want you to love me  
Love with your own free will  
I want you to love me  
Love with your own free will

I want you to love me, baby  
Love me and don't get me killed

I want you to love me  
Till the house stand on my head  
I want you to love me  
Till the house stand on my head

I want you to love me, baby  
Till you know I wish that I was dead
