I'm gonna say somethin' to you
And I don't care how you feel
You just don't realize
You got yourself a good deal

She's nineteen years old
She got ways just like a baby child
Nothin' I can do to please her
To make this young woman feel satisfied

I'm gonna say this to you
I don't care if you get mad
You're about the prettiest little girl
That I ever had

She's nineteen years old
She got ways just like a baby child
Nothin' I can do to please her
To make this young woman feel satisfied

I can't ask her where she's going
She tells me where she's been
She starts a conversation
That don't have no end

She's nineteen years old
She got ways just like a baby child
Nothin' I can do to please her but mmm, yeah
Woah, yeah, woah, yeah, woah, yeah
To make this young woman feel satisfied
