Oh yeah, someday I'm goin' to catch you soon
Oh yeah, someday I'm goin' to catch you soon
Look you in the mornin'
I'm gonna catch you in the afternoon

This gonna take my heart, must be made of steel
Just stay out all night, boy
You know, how to make her feel about

Oh yeah, someday I'm goin' to catch you soon
Look you in the mornin'
I'm gonna catch you in the afternoon

She want me do like Daniel, sleep in the lion den
I asked her where she's goin', boy
She tell me where she been

Oh yeah, someday I'm goin' to catch you soon
Look you in the mornin'
I'm gonna catch you in the afternoon
Well alright, well alright

I get to tell 'em 'bout the way
She'll break down and cry, I don't love you, Marie
[Incomprehensible]

Oh yeah, someday I'm goin' to catch you soon
Look you in the mornin'
I'm gonna catch you in the afternoon
