I'm gonna say somethin' to you
I don't care how you feel
You just don't realize
You got yourself a good deal

She's nineteen years old
She got ways just like a baby child
Nothin' I can do to please her
To make this young woman feel satisfied

I'm gonna say this to you
I don't care if you get mad
You 'bout the prettiest little girl
That I ever had

She's nineteen years old
She got ways just like a baby child
Nothin' I can do to please her
To make this young woman feel satisfied

What kind of woman is that?

Can't ask her where she's going
She tells me where she's been
She starts a conversation
That don't have no end

She's nineteen years old
And got ways just like a baby child
Nothin' I can do to please her
Woah, yeah, woah, yeah, woah, yeah
To make this young woman feel satisfied
