They call me Muddy Water, I'm just as restless man as  
the  
Deep blue sea  
Oh yeah, they call me Muddy Water, I'm just as restless  
Man as the deep blue sea  
You know I've been like that, ever since my baby been  
Gone from me

The night she left me, you know the rain boy was  
pouring  
Down  
Oh yeah, the night the little girl left me, you know the  
Rain was pouring down  
You know I was the most bluest man, in this whole  
Chicago  
Town

I got a brand new babe, she just as sweet man as a girl  
Can be  
Oh Lord I got a brand new girl, she just as sweet man  
as  
A apple on a tree  
I wanna tell all you people, how the little child been  
Sending me
