I went down 13 Highway, drivin' a brand new V8 Ford
I went down 13 Highway, drivin' a brand new V8 Ford
Oh you know I was drivin' so fast, baby I couldn't hardly
see the road
Oh I was drivin' 60 miles an hour, all up and down the
hill
Oh you know I was drivin' 60 miles an hour, all up and
down the hill
Oh you know I was speedin' so fast, I couldn't hardly
control my wheel
(solo)
Don't the highway look lonesome, after the sun done
gone down
Oh don't the highway look lonesome, after the sun
done gone down
Oh you know you're all alone by yourself, there ain't
nobody else around
