I went down 13 highway
Drivin' a brand new V8 Ford
I went down 13 highway
Drivin' a brand new V8 Ford
Oh, you know I was drivin' so fast
Baby, I couldn't hardly see the road

Oh, I was drivin' 60 miles an hour
All up and down the hill
Oh, you know I was drivin' 60 miles an hour
All up and down the hill
Oh, you know I was speedin' so fast
I couldn't hardly control my wheel

Don't the highway look lonesome
After the sun done gone down
Oh, don't the highway look lonesome
After the sun done gone down
Oh, you know you're all alone by yourself
There ain't nobody else around
