Trouble No More (Muddy Waters)

Can't tell how long you're gone, can't tell how long you stay.
It's good country fun, It's your home some day.
Someday Baby, ain't no trouble for me, anymore.

Ah keep on dancin' baby, let me dance one dance.
Well I know when I go, I'm livin' too fast. Someday….

I'll tell him about it, In my neighborhood.
Gonna tell that little woman, that she don't do me no good. Someday…

Riff stop, riff normal (then lead over verse).

I know you're leaving, and your comin' back home.
Oh, without my lovin lady, I can't stay long. Someday….

Riff 2x (lead, then drum breaks).

Good Bye baby, Ah take my hand.
Don't want no woman no, which ain't have no man.
Someday baby, you ain't gonna trouble poor me, anymore.
