Beeper beeper beeper beeper x7

Lookin' for the page n' the green n' the visa

Hit my beeper
Not my phone
You better jot it quick
Think fast
I'm gonna smash it
Toe up from the floor up, no
And with the loochie you be gettin' gotta, gotta, gotta
cash it.

I'm a yes
I'm a yet
I'm a ?, ? girl
I'm Kid Sis
I'm down, you know
See me chillin up at Papa Do's
Wish for a honey
Like a lady
It goes faster than we can, imagine
Beeper number wrote it on the tab
Show your boys then flaunt it on the air
Ask about me, what's my name?
Boys demented say, "Hey, miss thang!
You look fine as hell, it's so nice to meet ya!"
Yep, feel good, ya gottaâ€¦!

So don't get it twisted when you paging me
Got a lot, got a lot,

'Cause i got it for free
Mama got it for 1.99 at smartbeat
Paged girl 911 in a heartbeat
Just to get a little something, something
Want me in the back of the caprice like sum sum
Now what? I'm ready to go.
Go fig
It's time for my show.
Music is my weapon
That's before i get to steppin'
It's a go
I be reppin'
Put ya hands to the sky.
Got my check, won't buy no ?
I'm like, "We fresh."
Sure, sure, you right.
I don't speak to you no more now
Spit ish on telephone
And you ain't gonna get none 'cause you paged me 69

Uh, uh, uh, that's right.
Uh, uh x3
