She kissed her and she was die'n to try it
And now there's no deny'n, yeah, yeah, yeah
That she kissed her and it kept take'n her higher
And now she just get's wired, yeah, yeah, yeah

Beats livin a lie, and I'm sick of try'n
Beats livin a lie and we all get divided

He kissed her and now he tries to deny it
But she already decided, yeah, yeah, yeah
And he, missed her but now she's of getting higher
Cuz she could never deny her, yeah, yeah, yeah

Beats livin a lie, and I'm sick of try'n
Beats livin a lie and we all get divided

She kissed her and she was dyin to try it
And now there's no deny'n, yeah, yeah, yeah
That she kissed her and it kept takin her higher
And now he burns like fire, yeah, yeah, yeah

Beats livin a lie, and I'm sick of try'n
Beats livin a lie and we all get divided
Beats livin a lie, and I'm sick of try'n
Beats livin a lie and we all get divided

We all get divided
We all get divided
We all get divided
We all get divided
