When the thrill is gone, and everyone is disappearing
Still the show goes on, even though there's no one
hearing

You're one of the faceless, the almost famous
You're such a big success, you're so overrated
Pretentious and jaded, under-educated
You're such a big success
You're so overrated
You're so overrated

Now you're on your own, and everything that you're
concealing
Has hardened like a stone, but nothing brings you back
that feeling

You're one of the faceless, the almost famous
You're such a big success, you're so overrated
Pretentious and jaded, under-educated
You're such a big success
You're so overrated
You're so overrated

Put on another face and hide inside
Go out and take your place, don't go out now
Put on another face and hold on tight
Did some one take your place and tell you

You're one of the faceless, the almost famous
You're such a big success, you're so overrated
Pretentious and jaded, under-educated
You're such a big success
You're so overrated
You're so overrated

Overrated
Picked apart and hated
Passed your prime and dated
Had you cake and ate it
Over stimulated
Got no game, got traded

You're so dull and faded
You're so overrated
