It get's harder to begin
And naturally overdrawn and tight around my head
You pull me down again
I like the way it feels right now I crash into my bed
I'm hang'n on

Don't tear me down, I'm hold'n on
Don't tear me down, I'm hang'n on
I'm hold'n on

Well it's dark inside this cage
Before too long it's hard to breath
And nothing turns to rage
And before you get me right, you know you always get
me wrong
And before you see the light you know you always tear
me up

Don't tear me down, I'm hold'n on
Don't tear me down, I'm hang'n on
I'm hold'n on

You tear me down and build again
Around in circles in my head
You tear me down and build again
Before too long I'm see'n red
And before you get me right, you know you always get
me wrong
And before you see the light you know you always tear
me up

Don't tear me down, I'm hold'n on
Don't tear me down, I'm hang'n on
I'm hold'n on
