Saturdays the night
The parties over
His heart is colder
And no one hears the band anymore

They go outside to fight
Before it's over
A broken shoulder
And no one wants to fight
Anymore

Use your conscience
Use your head
Use your tolerance
It's what she said

Turn the lights back on
Brighter than the sun
We're not ready to go home!

The fight is in their eyes
Heavy handed
The punches landed
And somebody picks the glass
Off the floor,

The colours arnt so bright
Outside it's raining
They stop complaining
When they don't see him move
Anymore

Use your conscience
Use your head
Use your tolerance
Use your heart
Turn the lights back on
Brighter than the sun
We're not ready to go home!

Interlude...

Use your conscience
Use your head
Use your tolerance
Is what she said
(Baby come back home)
Turn the clocks back some
I wont act so dumb
I just wana take you home

Use your conscience
Use your head
Use your tolerance
Is what she said
(Baby come back home)
Turn the clocks back some
I wont act so dumb
I just wana take you home

Use your conscience
Use your head
Use your tolerance
Is what she said
(Baby come back home)

Turn the lights back on
Brighter then the sun
And try to
And try to

Use your conscience
Use your head
Use your tolerance
Is what she said (baby come back home)
Turn the lights back on
Brigher then the sun
And try to
And try to

Use your conscience
Use your head
Use your tolerance
Use your heart (baby come back home)
Turn the lights back on
Brighter then the sun
And try to
And try to

Use your conscience
Use your head
Use your tolerance
Use your heart

Turn the lights back on
Brighter than the sun

Were not ready to go home!
