Iâ'm a pot smoking commie psycho hippie freak
At least thatâ's what they say
Theyâ're the ones that laugh & joke
They needed it anyway

They rip me off, they call me names, they punch me in
the eye
I only got one question for you people now please tell
me reason why

Iâ'm a hippie in your eyes
Iâ'm a hippie in your eyes
There ainâ't no surprise
We all get high
Iâ'm a hippie in your eyes

They say my bodyâ's dirty and my clothes are raggy
and I need to cut my hair
Well theyâ're the ones they can keep their views
â'cause I donâ't really care

They rank me down over & over & time & time again
Itâ's my turn now so listen close
This is what I said to them
Iâ'm a hippie in your eyes

Iâ'm a hippie in your eyes
There ainâ't no surprise
We all get high
Iâ'm a hippie in your eyes

Well they go out night after night hitting all the bars
They drink themselves into the ground and pile into
their cars
They destroy the land pollute the air dump s**t in the
sea
They may destroy good old mother nature
But they ainâ't gonna destroy me

Iâ'm a hippie in your eyes
Iâ'm a hippie in your eyes
It ainâ't no surprise

We all get high
Iâ'm a hippie in your eyes

Well theyâ're the ones that raised me
They showed me right from wrong
And that is why Iâ'm sitting here
Singing this messed up song

Iâ'm a hippie in your eyes
Iâ'm a hippie in your eyes
It ainâ't no surprise
We all get high
Iâ'm a hippie in your eyes
