I've spent a lifetime looking for you
Single bars and good time lovers, never true
Playing a fools game, hoping to win
Telling those sweet lies and losing again.

I was looking for love in all the wrong places
Looking for love in too many faces
Searching your eyes, looking for traces
Of what... I'm dreaming of...
Hopin' to find a friend and a lover
God bless the day I discover
Another heart, lookin' for love

When I was alone then, no love in sight
And I did everything I could to get me through the night
Don't know where it started or where it might end
I turn to a stranger, just like a friend

I was looking for love in all the wrong places
Looking for love in too many faces
Searching your eyes, looking for traces
Of what... I'm dreaming of...
Hopin' to find a friend and a lover
God bless the day I discover
Another heart, lookin' for love

You came a'knocking at my heart's door...
You're everything I've been looking for...

No more looking for love in all the wrong places
Looking for love in too many faces
Searching your eyes, looking for traces
Of what... I'm dreaming of...
Now that I found a friend and a lover
God bless the day I discover
You, oh you, lookin' for love

In all the wrong places
Looking for love in too many faces
Searching your eyes, looking for traces
Of what... I'm dreaming of...
Now that I found a friend and a lover

God bless the day I discover
You, oh you, lookin' for love
