Heard stories of love lost in the past
But I never knew it hurt so bad
You were more than I ever knew I had
Homie, lover, friend was my joy when I was sad.
Reminise on all the things you use to say
Gets me through the day, and my nights be so crazy
I don't know I'm thinking maybe
That you might hear this song and come back where
you belong

Tell Me I am not the only one hurting
Tell me that you feel pain too
Tell me that you lie awake everynight and cry like I do
X2

And I can feel myself about to break
Truth is girl I'm not okay
These tears keep falling down like rain
Everytime I hear your name
I wonder if we feel the same
Wonder do we share this pain
Lately I've been falling apart
Took your pictures off my wall but they're still in my
heart

Tell Me I am not the only one hurting
Tell me that you feel pain too [and do you cry]
Tell me that you lie awake everynight and cry like I do
[oh yeah yeah ohhh]X2

Do you cry like I do?
Do you cry like I do?
Cry like I do?
Yeah oh
Do you cry like I do?
Do you cry like I do?
Cry like I do
Oh yeahh oh yeah oooohhh
