For a long time we've been marching off to battle  
In our thund'ring herd we feel a lot like cattle  
Like the pounding beat our aching feet aren't easy to ignore  
Hey, think of instead a girl worth fighting for  
Huh?

That's what I said:  
A girl worth fighting for

I want her paler than the moon with eyes that shine like stars  
My girl will marvel at my strength, adore my battle scars  
I couldn't care less what she'll wear or what she looks like  
It all depends on what she cooks like: Beef, pork, chicken ...  
Mmmh ...

Bet the local girls thought you were quite the charmer  
And I'll bet the ladies love a man in armor  
You can guess what we have missed the most  
since we went off to war  
What do we want?  
A girl worth fighting for

My girl will think I have no faults  
That I'm a major find  
How 'bout a girl who's got a brain  
Who always speaks her mind?  
Nah!

My manly ways and turn of phrase are sure to thrill her  
He thinks he's such a lady-killer

I've a girl back home who's unlike any other  
Yeah, the only girl who'd love him is his mother  
But when we come home in victory they'll line up at the door  
What do we want?  
A girl worth fighting for  
Wish that I had

A girl worth fighting for
