This is what you give me to work with?

Well, honey, I've seen worse

We're going to turn this sow's ear

Into a silk purse

We'll have you

Washed and dried

Primped and polished till you glow with pride

Trust my recipe for instant bride

You'll bring honor to us all

Wait and see

When we're through

Boys will gladly go to war for you

With good fortune and a great hairdo

You'll bring honor to us all

A girl can bring her family

Great honor in one way

By striking a good match

And this could be the day

Men want girls with good taste

Calm

Obedient

Who work fast-paced

With good breeding

And a tiny waist

You'll bring honor to us all

We all must serve our Emperor

Who guards us from the Huns

A man by bearing arms

A girl by bearing sons

When we're through you can't fail

Like a lotus blossom soft and palm
How could any fellow say "No sale"
You'll bring honor to us all

There - you're ready
Not yet
An apple for serenity ...
A pendant for balance ...
Beads of jade for beauty
You must proudly show it
Now add a cricket just for luck
And even you can't blow it

Ancestors
Hear my plea
Help me not to make a fool of me
And to not uproot my fam'ly tree
Keep my father standing tall

Scarier than the undertaker
We are meeting our matchmaker
Destiny
Guard our girls
And our future as it fast unfurls
Please look kindly on these cultured pearls
Each a perfect porcelain doll

Please bring honor to us
Please bring honor to us
Please bring honor to us
Please bring honor to us
Please bring honor to us all
