Let's get down to business
to defeat the Huns!
Did they send me daughters
when I asked for sons?
You're the saddest bunch I ever met
but you can bet before we're through
mister, I'll make a man out of you!

Tranquil as a forest
but a fire within
once you find your center
you are sure to win
you're a spineless pale pathetic lot
and you haven't got a clue
somehow I'll make a man out of you

I'm never gonna catch my breath
say goodbye to those who knew me
boy was I a fool in school for cutting gym
this guys got 'em scared to death
hope he doesn't see right through me
now I really wish that I knew how to swim

(chorus)

Be a man
we must be swift as a coursing river
Be a man
with all the force of a great typhoon
Be a man
with all the strength as a raging fire
mysterious as the dark side of the moon

Time is racing t'ward us
till the huns arrive
heed my every order

and you might survive
you're not suited for the rage of war
so pack up go home your through
how could I make a man out of you

(chorus)
