I apologize (baby).
I couldn't describe how I hurt inside,
So I take it out on you.

I think we're both to blame.
We storm like thunder and we pound like rain,
Just like we always do.

You say you've had enough, the water is rough,
The river between us is raging higher than ever before.
I know you're having doubts, but we can work it out
If you wrap your love around me,
'Cause I don't want to fight anymore.

You've got to believe, I'm begging you please,
Hold me harmless tonight.
I know I was wrong, you've got to be strong,
Hold me harmless tonight.

Tomorrow's gonna come,
And after all is said and done,
We still won't get along.

It's really no surprise,
You have your days and I have mine,
But still we're holding on.

I pace across the floor, your hand is on the door,
The tension between us is raging higher than ever
before.
But baby turn around, don't make another sound,
Just wrap your love around me.
'Cause I don't want to fight anymore.

You've got to believe, I'm begging you please,
Hold me harmless tonight.
I know I was wrong, you've got to be strong,
Hold me harmless tonight.
'Cause there's a moon up above, it sure feels like love,
Hold me harmless tonight.

Here we are, closer to the end than the beginning.

But don't let it end.
Don't let it end.
Don't let it end.
Don't let it end.

You've got to believe in love, be strong in love, hold on.
You've got to believe in love, be strong in love, hold on.

You've got to believe, I'm begging you please,
Hold me harmless tonight.
'Cause there's a moon up above, it sure feels like love,
Hold me harmless tonight
