Id lend you my mind but Im crazy  
Id remember times but Im carefree  
So please sit on the sunny side of me  
I send all the signs but they fail me  
Id fill in the forms but I get hazy  
So please sit on the sunny side of me  
Asylum  
Asylum  
Asylum  
Asylum  
Asylum here I come again  
Id lend you my crown but I'd get stable  
I bend I must bend to the crazies  
So please sit on the sunny side of me  
Asylum  
Asylum  
Asylum  
Asylum  
Asylum here I come again  
And I want to feel real not confused  
Night and day  
Night and day  
Somebody else must be with me  
Somebody else must be with me  
Must be with me  
Im losing control of control again  
Im falling in love with love again  
So please sit on the sunny side of me  
Asylum  
Asylum  
Asylum  
Asylum  
Asylum here I come again
