And you will know me by my mistakes
I took a forest with my name
I took emotional decay
To another plain
A simple accident of fate
A quiet hero made a mistake
I'm the fall guy who fell away
I used to know a man
It's funny before I lost my control
I had clarity!!!
Love is clear and gentle
It's funny before I lost my control
I had clarity!!!
Love on a green and pleasant land
I lay down on a meadow
I used to know a man
Who burned his \$illy skin against the state
Who burned his silly skin against the state
And did you ever eel control
When heaven and hell became the same?
I miss my wife I miss my kids
I used to know a man
Down at the edge of a hay field lay
Face down and peaceful on this day
A broken man his wife would say
Is the body of a man
It's funny before I lost my control
I had clarity!!!
Love is clear and gentle
It's funny before I lost my control
I had clarity!!!
Love on a green and pleasant land
I lay down on a meadow
I used to know a man
Who burned his silly skin against the state
Who burned his \$illy skin against the stake
Ooo,oooh Lord my heart's on a crib
Ooh Lord my heart's on a crib
Ooh Lord my heart's on a crib
I'm ending all the grin and spin
Then throw the stones...

Aahahhh!!!
I used to be a man
Who burned his \$illy skin against the state
And tonight, tonight I'll fight this lie
Tonight I'll fight for lie
And clocks tick and transport clucks
And blood still low\$ around bodies
And tonight, tonight I'll fight this lie
Tonight I'll fight for lie
