The Mull Historical Society
Is here for you and me
You got to keep moving
If you're going to end up in our society
We're finding new ways
To reach out to everyone of you
Loosen, loosen your body
Loosen, from your point of view
You cannot be a loser
If you're going to join-up in our society
We need a new hall
To fill our membership of 2
Loosen, loosen your collar
Loosen, from your point of view
If you can't find
Your peace of mind
Then join us
The Mull Historical Society
Join up, with your point of view
We're finding new ways
To reach out to the brigades in the community
We're walking your dogs
So you cannot let us down
Come on and join us join us now
The Mull Historical Society
The Mull Historical Society
The Mull Historical Society
Is here for you and me
