She said,
"Someone else is happy,"
"Someone else is carefree,"
"Someone else is here and now."
Oh, she said,
"Someone else is living,"
"Someone else is out there,"
"Someone else is buying time,"
Oh, sit on your wall,
If I could just do what you do,
If I could just be what you don't want me to be,
And no it really doesn't matter it really does.
She's watching Xanadu,
She says she can't love you,
She can do anything,
Yeah, she can love anything.
She says there's a photograph,
She said it's the saddest thing,
Yeah but you never call,
Yeah but you never ring.
She said
"Put the world between us,"
"Celebrate and pack up,"
"Open up your eyes and jump."
Oh, she said
"Find another doorway,"
"Find another circle,"
"Find another way to leave."
Oh, live on your wall
If I could just do what you do,
If I could just be what you don't want me to be,
And no it really doesn't matter it really does.
She's watching Xanadu,
She says she can't love you,
She can do anything,
Yeah, she can love anything.
She says there's a photograph,
She said it's the saddest thing,
She can do anything,
She says you never ring.
Oh, live on your wall,
If I could just do what you do,

If I could just be what you don't want me to be,
And no it really doesn't matter,
It really doesn't matter,
It really doesn't matter,
It really does.
She's watching Xanadu,
She says she can't love you,
She can do anything,
Yeah, she can love anything.
She said it's the saddest thing,
She says you never ring.
She can do anything,
She can do anything.
She can love anything,
She can do anything.
She can love anything,
She can love anything.
She can do anything,
She can do anything,
She can love anything.
