That girl use to never
Wanna give me no pussy
And I could never ever
Figure out Why ?
But then I Came Up With
All this money
And now she shake that
Ass every time I walk by

I couldn't help but to
Bend that ass ova
Bend that ass ova
Bend that ass ova
Bend that ass ova

That girl use to never
Wanna give me no pussy
And I could never ever
Figure out Why ?
But then I Came Up With
All this money
And now she shake that
Ass every time I walk by

I couldn't help but to
Bend that ass ova
Bend that ass ova
Bend that ass ova
Bend that ass ova
