(Allman, Sloyer, Cadden-James, LaBrie)

I remember  
A time when I was free when I could fly away  
Sky's the limit  
I sang my song it was my dream and still is today

Changes come  
Changes go  
Where they lead I just don't have a say  
Don't have a say

Do you remember  
The time I traveled sing my songs to all the world  
You were stronger  
But that's all gone and that's okay, you're still my girl

Seasons come  
Seasons go  
Where they lead I just don't ever know  
Don't ever know

I know you need me here to see you through  
I'm gonna make your eyes shine like brand new  
I'd sacrifice all that I have and more

Forever until death do us part

All those pictures  
Painted by your hand I still remember  
How beautiful  
Nothing's changed you're still the one I'm dreaming of

Just this morning  
You awoke and took my hand I smiled inside  
How long we have here  
Left to us, we'll do our best and enjoy the ride

Good times come  
Good times go  
When they've gone how will we ever know  
We ever know

I know you need me here to see you through  
I'm gonna make your eyes shine like brand new  
I'd sacrifice all that I have and more  
Forever until death do us part
