Someone send a runner through the weather that I'm  
under for the feeling that I lost a day  
Someone send a runner for the feeling that I lost a day  
Someone send a runner through the weather that I'm  
under for the feeling that I lost a day  
Someone send a runner for the feeling that I lost a day  
We must be somewhere in London  
We must be loving our lives in the rain  
We must be somewhere in London  
Walking Abbey Lane  
I don't even think to make  
I don't even think to make  
I don't even think to make corrections  
Famous angels never come through England  
England gets the ones you never need  
I'm in a Los Angeles cathedral  
Mine are singing, and sing for me  
Put an ocean and a river between everybody ever  
between everybody else and home  
Put an ocean and a river between everybody else and  
home  
Put an ocean and a river between everybody ever  
between everybody else and home  
Put an ocean and a river between everybody else and  
home  
We must be somewhere in London  
We must be loving our lives in the rain  
We must be somewhere in London  
Walking Abbey Lane  
I don't even think to make  
I don't even think to make  
I don't even think to make corrections  
Famous angels never come through England  
England gets the ones you never need  
I'm in a Los Angeles cathedral  
Mine are singing, and sing for me  
Afraid of the house  
stay the night with the sinners  
Afraid of the house  
stay the night with the sinners  
Afraid of the house

cause we're desperate to entertain [x3]
