You heard my voice I came out of the woods by choice  
Shelter also gave their shade  
And in the dark I have no name  
So leave that click in my head  
And I will remember the words that you said  
Left a clouded mind and a heavy heart  
But I was sure we could see a new start

So when your hopes on fire  
But you know your desire  
Don't hold a glass over the flame  
Don't let your heart grow cold  
I will call you by name  
I will share your road

But hold me fast, Hold me fast  
Cuz I'm a hopeless wanderer  
And hold me fast, Hold me fast  
Cuz I'm a hopeless wanderer

I wrestled long with my youth  
We tried so hard to live in the truth  
But do not tell me all is fine  
When I lose my head, I lose my spine  
So leave that click in my head  
And I won't remember the words that you said  
You brought me out from the cold  
Now, how I long, how I long to grow old

So when your hopes are on fire  
But you know your desire  
Don't hold a glass over the flame  
Don't let your heart grow cold  
I will call you by name  
I will share your road

But hold me fast, Hold me fast  
Cuz I'm a hopeless wanderer  
And hold me fast, Hold me fast  
Cuz I'm a hopeless wanderer  
And I will learn, I will learn to love the skies I'm under  
And I will learn, I will learn to love the skies I'm under

The skies I'm under
