"Learn Me Right"

Though I may speak some tongue of old,
Or even spit out some holy word
I have no strength with which to speak,
When you sit me down and see I'm weak

We will run and scream, you will dance with me
We'll fulfill our dreams and we'll be free

We will run and scream, you'll dance with me
We'll fulfill our dreams and we'll be free.
We will be who we are, and they'll heal our scars
Sadness will be far away

So I had done wrong but you put me right
My judgment burned in the black of night
When I give less than I take,
It is my fault my own mistake

We will run and scream, you will dance with me
We'll fulfill our dreams and we'll be free
We will be who we are, and they'll heal our scars
Sadness will be far away
