I will not fall  
Once more I'm called  
Time comes for all  
Then dark is whole

But oh, my heart was flawed  
I knew my weakness  
So hold my hand  
Subscribe me not to darkness

I will not speak of your sin  
There is a way out for him  
The mirror shows not  
Your values are shot

But oh, my heart was flawed  
I knew my weakness  
So hold my hand  
Subscribe me not to darkness

But oh, my heart was flawed  
I knew my weakness  
So hold my hand  
Subscribe me not to darkness

And I fall short  
And I fall short  
And I fall short  
And I fall short

But oh, my heart was flawed  
I knew my weakness  
So hold my hand  
Subscribe me not to darkness
