Ah ah ah ah ah
Ah ah ah ah ah
Ah ah ah ah ah
Ah ah ah ah ah

You hold your truth so purely
Swerve not through the minds of men
The lie, it is dead
And this cup of yours tastes holy
But you know I was not that man
It's not my land

And my heart
Was colder when you'd gone
I lost my head
But found the one that I loved

It's not what I do that makes me
In my weakness I grew strong
Held my tongue
And I've learned from errors made early
A brush with the devil can clear your mind
And strengthen your spine

But fingers tap into what you were once
And I'm worried that I blew my only chance

Whispers in the dark
Steal a kiss and you'll break a heart
Pick up your clothes and curl your toes
Learn your lesson, lead me home
Spare my sins for the ark
I was too slow to depart
I'm a cad but I'm not flawed
I set out to serve the Lord.

But my heart
Was colder when you'd gone
I lost my head
But found the one that I loved
Under the sun
Under the sun

And fingers tap into what you were once
And I'm worried that I blew my only chance
Fingers tap into what you were once
And I'm worried that I blew my only chance

But my heart
Was colder when you'd gone
I lost my head
But still, while we are young
While we are young
While we are young
While we are young
