If I failed to deliver  
If the world left you bitter  
If waitin and prayin hasn't led to you payin  
Of course I will care  
If the world stripped you bare  
But your killing your liver with toxins  
That help you to  
See this whole mess  
Recieve this hopeless  
Transmission

Are u trying to say thatd you'd rather decay than  
Believe

Are you willing to cry  
Atthe scene of the crime  
Are u able to turn on the tears in the blink of an eye

If your ready  
Tonight if your steady  
Well help you to see in ways that will help you to find  
This whole mess  
Recieve this hopeless transmission

Are u trying to say that you'd rather decay than believe

And if walking back home  
Is the way to my heart

Youve taken it over and torn it apart  
Iv got nothing to lose and a whole lot to gain  
Iv got infinite reasons and nothing to say

Cos it's now or now  
It's now or never  
It's now or never

Are u willing to dance  
For the sake of romance  
I'm a terrible dancer but hey let them look  
Let them laugh

I'm not listeniong  
For you I'm persisting  
But my energys sinking as u slump to your chair  
So I'll throw this whole mess away

And if walking back home  
Is the way to my heart  
Youve taken it over and torn it apart  
Iv got nothing to lose and a whole lot to gain  
Iv got infinite reasons and nothing to say

Cos it's now or now  
It's now or never  
It's now or never (repeat)
