Light out of the darkness, what did you see? What did  
You see?

And I, I don't see the likeness I'm trying to see, I'm  
Trying to see.

If you believe me look in my eyes,  
As you deny me don't breathe a sigh,  
You can't be the reason,  
You can't be the reason,  
You won't be the reason,  
You won't be the reason for all the things I said.  
It's out of the question,  
It's out of the question,  
More out of the question,  
Or out of the question.  
I'd rather stop it dead.

This is the only thing I know. The writing's on the  
Wall. The master's stand and fall.  
So I, I'm guessing you noticed. I'll try to explain,  
I'll try to explain.

If you believe me look in my eyes,  
As you deny me don't breathe a sigh  
You can't be the reason,  
You can't be the reason,  
You won't be the reason,  
You won't be the reason for all the things I said.  
It's out of the question,  
It's out of the question, more out of the question,  
Or out of the question.  
I'd rather stop it dead.

Light out of the darkness, what did you see? What did  
You see?  
And I, I don't see the likeness I'm trying to see, I'm  
Trying to see.

You can't be the reason,  
You can't be the reason,  
You won't be the reason,

You won't be the reason for all the things I said.  
It's out of the question,  
It's out of the question,  
More out of the question,  
Or out of the question.  
I'd rather stop it dead.

This is the only thing I know. The writing's on the  
Wall. The master's stand and fall.
