I'm so in love again
I'm walking endlessly
I'm wasting all my time
I hope you're listening
Write sometime soon
I miss the sight of you
I miss the way you move
I miss the pain you cause
I miss it all because
You made me feel

Starlight our local inspiration
And, Goodbye
I hope hope you had the best time tonight
Tonight, Tonight

Get up before my time
Go back to sleep again
Got nothing else to do
Than hope I dream of you

At least these dreams seem real
I'm going mad again
The TV makes me cry
I can't be here no more
I have so little time
To find my way

Starlight our local inspiration
And, Goodbye
I hope hope you had the best time tonight
Tonight, Tonight

And Starlight our local inspiration
And, Goodbye
I hope hope you had the best time tonight
Tonight
Tonight
Tonight
Tonight
