Didn't I do well on my own the big man
Dying just to satisfy the screaming fans
I've played to sellout shows, I've played where nobody
goes
and just when I've had enough you show up and turn
my life downside up

Take all my time take all I'll ever know
Take my life and I'll let go

I came to you with doubting heart you showed me your
scars
where the nails pierced your skin you took the burden
of my sin
and I will celebrate and praise you for the rest of my
days
because the nails pierced your skin and you took the
burden of my sin
