Just give me one more  
Just give me one more dance my girl

Just give me one more dance  
Dance x3  
Just give me one more

Do you remember the day girl (day girl)  
When we were dancing away girl (away girl)  
You never told me your name no  
I can't believe that I let you go

Now I see you working thinkin' this can happenin'  
Can we take a walk and dance this away  
And maybe this is something that you just ain't feelin'  
But I gotta know

Just give me one more dance  
Give me one more dance  
Just give me one more dance  
Give me one more dance  
Just give me one more

I got this feeling you want me (want me)  
From your eyes I can see that your ready (ready)  
This love is something amazing  
For you and me what you say

Now I see you working thinkin' this can happenin'  
Can we take a walk and dance this away  
And maybe this is something that you just ain't feelin'  
But I gotta know

Just give me one more dance  
Give me one more dance  
Just give me one more dance  
Give me one more dance  
Just give me one more

I just want you to know girl (just give me one more
