I got some fading, what we will do?
When lies â€¦ follow lies and excuses
Never thought that we will ever go this way
Tell me if youâ€™re lonely, i wanna be your only
I know i promised, iâ€™d be there for you everyday
I know you promised, to make sure that i see my way,
see my way
â€¦ every way, cause
Donâ€™t make no promise, yeah, yeah, yeah
Donâ€™t make no promise, yeah, yeah, yeah
Donâ€™t and i donâ€™t know what can happen girl,
donâ€™t know where weâ€™re gonna go
Itâ€™s so frustrating when we donâ€™t talk, can you
hear my whispers through these walls?
Never thought that we could ever make a cage
Tell me if you want this, i wanna be your last kiss
I know i promised, iâ€™d be there for you everyday
I know you promised, to make sure that i see my way,
see my way
Donâ€™t make no promise, yeah, yeah, yeah
Donâ€™t make no promise, yeah, yeah, yeah,
donâ€™t
And i donâ€™t know what can happen girl, donâ€™t
know where weâ€™re gonna go
Donâ€™t make no promise, yeah, yeah, yeah
Donâ€™t make no promise, yeah, yeah, yeah,
donâ€™t
And i donâ€™t know what can happen girl, donâ€™t
know where weâ€™re gonna go
Thereâ€™s nothing i can do to make you feel so true
Girl you know i do, wanna get you everything
Donâ€™t want to trouble girl, i just wanna stay together
Donâ€™t make no promise, yeah, yeah, yeah
Donâ€™t make no promise, yeah, yeah, yeah, baby
And i donâ€™t know what can happen girl, donâ€™t
know where weâ€™re gonna go
Donâ€™t make no promise, yeah, yeah, yeah
Donâ€™t make no promise, yeah, yeah, yeah,
And i donâ€™t know what can happen girl, donâ€™t
know where weâ€™re gonna go
Baby, yeah, oh, yeah, yeah, yeah, oh, girl
And i donâ€™t what can happen girl, donâ€™t know

where weâ€™ re gonna turn
See my way,
All you say, â€¡ girl you say, are you busy?
