Midnight is here, baby I hear you calling,
And I know you're there, (know you're there).
The moonlight I staking me to you,
I just want to be near you!
Did anyone feel what's inside of you?

You're amazing, so beautiful,
I'll never break your heart, girl!
You're my energy, for eternity,
You could be my lady!

She's like a rainfall!
Can you give it to me, baby?
She's falling from above,
Like I'm falling in love!
She's like a rainfall!
I wanna swim with you, baby!
Kiss me!
I could be your hero every night,
I'll be flowing by your side!
She's like a rainfall (rainfall, rainfall, rainfall)!
(She's like my rainfall!)

Now that I'm here,
With you in the jungle dreaming, (dreaming)

About things we could do.
(Things we could do!)
Tell me if you feel my loving!
I can hear your heart beating,
Get a little closer, cause I wanna hold on to you!

You're amazing, so beautiful,
I'll never break your heart, girl!
You're my energy, for eternity,
You could be my lady!

She's like a rainfall!
Can you give it to me, baby?
She's falling from above,
Like I'm falling in love!
She's like a rainfall!

I wanna swim with you, baby!
Kiss me!
I could be your hero every night,
I'll be flowing by your side!
She's like a rainfall (rainfall, rainfall, rainfall)!
(She's like my rainfall!)
